TM&IH

Tropical Medicine & International Health

Volume 4

Contents

Issue 1, January 1999

1 Editorial: How does molecular epidemiology help to understand malaria? *H.P. Beck*
4 Obituary: Daan Mulder 1949-1998 *P. Smith*
5 Increased prevalence of malaria in HIV-infected pregnant women and its implications for malaria control *F.H. Verhoeff, B.J. Brabin, C.A. Hart, L. Chimsuku, P. Kazembe and R.L. Broadhead*
13 Bancroftian filariasis in an irrigation project community in southern Ghana *M. Dzodzomenyo, S.K. Dunyol, C.K. Ahorlu, W.Z. Coker, M.A. Appawul, E.M. Pedersen and P.E. Simonsen*
19 Treatment costs and loss of work time to individuals with chronic lymphatic filariasis in rural communities in south India *K.D. Ramaiah, H. Guyatt, K. Ramu, P. Vanamail, S.P. Pani and P.K. Das*
26 Independent evaluation of onchocerciasis rapid assessment methods in Benue State, Nigeria *J.A.G. Whitworth and E. Gemade*
31 Multi-centre evaluation of repeatability and reproducibility of the direct agglutination test for visceral leishmaniasis *M. Boelaert, S. El Safi, H. Mousa, J. Githure, P. Mbati, V.L. Gurubacharya, J. Shrestha, D. Jacquet, A. De Muynck, D. Le Ray and P. Van der Stuyft*
38 Field evaluation of a one-step dipstick assay for the diagnosis of human leptospirosis in the Seychelles *C. Yersin, P. Bovet, H.L. Smits and P. Perolat*
46 Independent evaluation of the Nigrosin-Eosin modification of the Kato-Katz technique *M. Ramsan, A. Montresor, A. Foum, H. Ameri, L. Di Matteo, M. Albonico and L. Savioli*
50 Wild poliovirus circulation among healthy children immunized with oral polio vaccine in Antananarivo, Madagascar *M.R. Andrianarivelo, L. Rabarijaona, P. Boisier, C. Chezzi and H.G. Zeller*
58 Deriving meterological variables across Africa for the study and control of vector-borne disease: a comparison of remote sensing and spatial interpolation of climate *S.I. Hay and J.J. Lennon*
72 Letters to the Editors
74 Book review

Issue 2, February 1999

77 Editorial: Urban health and household decision-making *B. Obrist van Eeuwijk*
79 Evaluation of a quantitative determination of CD4 and CD8 molecules as an alternative to CD4+ and CD8+ T lymphocyte counts in Africans *S. Diagbouga, G. Durand, P.T. Sanou, H. Dahourou and E. Ledru*
85 Upregulation of the chemokines Rantes, MCP-1 MIP-1a and MIP-2 in early infection with *Trypanosoma brucei brucei* and inhibition by sympathetic denervation of the spleen *Y. Liu, Z. Li and M. Bakhiet*
93 Anti-filarial IgG4 in men and women living in *Brugia malayi*-endemic areas *M. Haarbrink, A.J. Terhell, K. Abadi, M. Asri, F. de Medeiros and M. Yazdanbakhsh*
98 Comparison of serological and parasitological assessments of *Onchocerca volvulus* transmission after 7 years of mass ivermectin treatment in Mexico *M.A. Rodríguez-Pérez, R. Danis-Lozano, M.H. Rodríguez and J.E. Bradley*
105 Towards a kala azar risk map for Sudan: mapping the potential distribution of *Phlebotomus orientalis* using digital data of environmental variables *M.C. Thomson, D.A. Elnaiem, R.W. Ashford and S.J. Connor*
114 Syndromic management of sexually transmitted diseases: is it rational or scientific? *W.K. Bosu*
120 How useful are anthropometric, clinical and dietary measurements of nutritional status as predictors of morbidity of young children in central Africa? *R. Tonglet, E. Mahangaiko Lembo, P.M. Zihindula, A. Wodon, M. Dramaix and P. Hennart*

131 Host haematological factors influencing the transmission of *Plasmodium falciparum* gametocytes to *Anopheles gambiae* s.s. mosquitoes *C.J. Drakeley, I. Secka, S. Correa, B.M. Greenwood and G.A.T. Targett*
139 Control of malaria vectors: cost analysis in a province of northern Vietnam *P. Verlé, T.T.T. Lieu, A. Kongs, P. Van der Stuyft and M. Coosemans*
146 Rapid economic growth and 'the four Ds' of disruption, deprivation, disease and death: public health lessons from nineteenth-century Britain for twenty-first-century China? *S. Szreter*
153 Book reviews
154 Announcement

Issue 3, March 1999

155 Editorial: Mutuelles de santé en Afrique et systèmes nationaux d'assurance-maladie obligatoire: l'histoire Européenne se répétera t-elle? *B. Criel and M. Van Dormael*
160 A new strategy for treating nets. Part 1: formulation and dosage *J.E Miller, A. Buriyo, A. Karugilia and J.D. Lines*
167 A new strategy for treating nets. Part 2: users' perceptions of efficacy and washing practices and their implications for insecticide dosage *J.E. Miller, C.O.H. Jones, S. Ndunguru, V. Curtis and J. Lines*
175 Rebound mortality and the cost-effectiveness of malaria control: potential impact of increased mortality in late childhood following the introduction of insecticide treated nets *P.G. Coleman, C.A. Goodman and A. Mills*
187 Malaria infection and morbidity in infants in relation to genetic polymorphisms in Tanzania *H.A. Stirnadel, M. Stöckle, I. Felger, T. Smith, M. Tanner and H.P. Beck*
194 Bednet impregnation for Chagas disease control: a new perspective *A. Kroeger, J. Ordoñez-Gonzalez, M. Behrend and G. Alvarez*
199 Incidence de la maladie du sommeil et densité des campements de culture en forêt de Côte d'Ivoire: possibilité de prédiction des zones à risques pour la mise en place précoce d'un réseau de surveillance *C. Laveissière and A.H. Meda*
207 Short communication: *Wuchereria bancrofti* antigenaemia in Sri Lanka *M. Itoh, M.V. Weerasooriya, N.K. Gunawardena, M.P.S. Mudalige, W.A. Samarawickrema and E. Kimura*
211 Outcome in three groups of patients with typhoid fever in Indonesia between 1948 and 1990 *E.T.A.M. van den Bergh, M. Hussein Gasem, M. Keuter and W.M.V. Dolmans*
216 Local evaluation of a rapid HIV assay for use in developing countries *M. Zaw, R.R. Frerichs, K.Y. Oo and N. Eskes*
222 Trachoma: Can trichiasis be treated with a sticking-plaster? A randomized clinical trial in China *B. Graz, J.M. Xu, Z.S. Yao, S.R. Han and A. Kok*
229 Poverty and eosinophilia are risk factors for endomyocardial fibrosis (EMF) in Uganda *M. Rutakingirwa, J.L. Ziegler, R. Newton and J. Freers*
236 Letters to the Editors
240 Erratum

Issue 4, April 1999

243 Editorial: Methodological triangulation in public health research - advancement or mirage? *O. Razum and A. Gerhardus*
245 Field trials of a rapid test for G6PD deficiency in combination with a rapid diagnosis of malaria *I.S. Tantular, K. Iwai, K. Lin, S. Basuki, T. Horie, H.H. Htay, H. Matsuoka, H. Marwoto, C. Wongsrichanalai, Y.P. Dachlan, S. Kojima, A. Ishii and F. Kawamoto*
251 Glutathione-S-transferase activity in malarial parasites *P. Srivastava, S.K. Puri, K.K. Kamboj and V.C. Pandey*
255 Case report: French West Indies – a tourist destination at risk for *Plasmodium falciparum* transmission? *Y. Poinsignon, C. Arfi, C. Sarfati, D. Farge-Bancel and C.P. Raccurt*
257 Identification of two species within the *Anopheles minimus* complex in northern Vietnam and their behavioural divergences *W. Van Bortel, H.D. Trung, N.D. Manh, P. Roelants, P. Verlé and M. Coosemans*
266 Epidemic of self-poisoning with seeds of the yellow oleander tree (*Thevetia peruviana*) in northern Sri Lanka *M. Eddleston, C.A. Ariaratnam, W.P. Meyer, G. Perera, A.M. Kularatne, S. Attapattu, M.H.R. Sheriff and D.A. Warrell*
274 Isolate resistance of *Blastocystis hominis* to metronidazole *K. Haresh, K. Suresh, A. Khairul Anuar and S. Saminathan*
278 Antibiotic resistance of *Escherichia coli* isolated from poultry workers, patients and chicken in the eastern province of Saudi Arabia *M.S. Al-Ghamdi, F. El-Morsy, Z.H. Al-Mustafa, M. Al-Ramadhan and M. Hanif*
284 Treatment of toenail onychomycosis with 2% butenafine and 5% *Melaleuca alternifolia* (tea tree) oil in cream *T.A. Syed, Z.A. Qureshi, S.M. Ali, S. Ahmad and S.A. Ahmad*
288 Community prevalence study of taeniasis and

cysticercosis in Bali, Indonesia *I. Putu Sutisna, A. Fraser, I. Nengah Kapti, R. Rodriguez-Canul, D. Putu Widjana, P.S. Craig and J.C. Allan*
295 Bancroftian filariasis on Pemba Island, Zanzibar, Tanzania: An update on the status in urban and semi-urban communities *E.M. Pedersen, W.L. Kilama, A.B.M. Swai, C.M. Kilhamia, H. Rwiza and U.M. Kisumku*
302 The contribution of α^+-thalassaemia to anaemia in a Nigerian population exposed to intense malaria transmission *F.P. Mockenhaupt, A.G. Falusi, J. May, O.G. Ademowo, P.E. Olumese, C.G. Meyer and U. Bienzle*
308 Urinary schistosomiasis among schoolchildren in Ibadan, an urban community in south-western Nigeria *E.I. Okoli and A.B. Odaibo*
316 Letter to the Editors
317 Book review

Issue 5, May 1999

319 Editorial: Commercial sector partnerships for malaria control *M.B. Macdonald and D.J. McGuire*
322 Evidence for an association between hookworm infection and cognitive function in Indonesian school children *H. Sakti, C. Nokes, W. Subagio Hertanto, S. Hendratno, A. Hall, D.A.P. Bundy and Satoto*
335 Parameters associated with *Schistosoma haematobium* infection before and after chemotherapy in school children from two villages in the Coast province of Kenya *A.I. Kahama, B.J. Vennervald, Y. Kombe, R.W. Kihara, M. Ndzovu, P. Mungai and J.H. Ouma*
341 Characterization of secretory acetylcholinesterase from *Setaria cervi* microfilariae: a potential antigen for diagnosis of human filariasis *S. Sharma and S. Rathaur*
349 The burden of mucocutaneous conditions and the association with HIV-1 infections in a rural community in Uganda *B. Mayanja, D. Morgan, A. Ross and J. Whitworth*
355 Distribution of fluoride and fluorosis in Ethiopia and prospects for control *H. Kloos and R.T. Haimanot*
365 Prevalence of GB virus C/hepatitis G virus among blood donors in north-eastern Brazil *P. Goubau, F.B. Andrade, H.F. Liu, F.P. De Sousa Basilio, L. Croonen and V.A.F. Barreto-Gomes*
368 Evaluation of the SPf66 vaccine for malaria control when delivered through the EPI scheme in Tanzania *C.J. Acosta, C.M. Galindo, D. Schellenberg, J.J. Aponte, E. Kahigwa, H. Urassa, J.R.M. Armstrong Schellenberg, H. Masanja, R. Hayes, A.Y. Kitua, F. Lwilla, H. Mshinda, C. Menendez, M. Tanner and P.L. Alonso*
377 Safety in infants of SPf66, a synthetic malaria vaccine, delivered alongside the EPI *D.M. Schellenberg, C.J. Acosta, C.M. Galindo, E. Kahigwa, H. Urassa, H. Masanja, J.J. Aponte, J.R.M. Armstrong Schellenberg, N. Fraser-Hurt, F. Lwilla, C. Menendez, H. Mshinda, M. Tanner and P.L. Alonso*
383 Changing home treatment of childhood fevers by training shop keepers in rural Kenya *V.M. Marsh, W.M. Mutemi, J. Muturi, A. Haaland, W.M. Watkins, G. Otieno and K. Marsh*
390 Renal involvement in Gambian children with cerebral or mild malaria *M.W. Weber, U. Zimmermann, M. Boele van Hensbroek, J. Frenkel, A. Palmer, J.H.H. Ehrich and B.M. Greenwood*
395 Latent class analysis permits unbiased estimates of the validity of DAT for the diagnosis of visceral leishmaniasis *M. Boelaert, S. El Safi, E. Goetghebeur, S. Gomes-Pereira, D. Le Ray and P. Van der Stuyft*
402 Viewpoint: Management of malaria – working with the private sector *R. Brugha, D. Chandramohan and A. Zwi*
407 Letter to the Editors

Issue 6, June 1999

409 Editorial: From Rio to Iragua – sustainability versus efficiency and equity for preventive health interventions *C. Lengeler*
412 Is orphan drug status beneficial to tropical disease control? Comparison of the American and future European orphan drug acts *P. Trouiller, C. Battistella, J. Pinel and B. Pecoul*
421 Pneumococcal and *Haemophilus influenzae* meningitis in a children's hospital in Ethiopia: serotypes and susceptibility patterns *L. Muhe and K.P. Klugman*
428 Risk factors for death in hospitalized dysentery patients in Rwanda *D. Legros, C. Paquet, F. Dorlencourt and E. Le Saoult*
433 Who dies from what? Determining cause of death in South Africa's rural north-east *K. Kahn, S.M. Tollman, M. Garenne and J.S.S. Gear*
442 Feasibility of a rapid dipstick antigen-capture assay for self-testing of travellers' malaria *M. Trachsler, P. Schlagenhauf and R. Steffen*
448 Diagnostic PCR with *Leishmania donovani* specificity using sequences from the variable region of kinetoplast minicircle DNA *N. Singh, M.D. Curran, A.K. Rastogill, D. Middleton and S. Sundar*
454 The Northern Bolivian Altiplano: a region highly endemic for human fascioliasis *S. Mas-Coma, R. Anglés, J.G. Esteban, M.D. Bargues, P. Buchon, M. Franken and W. Strauss*
468 Letter to the Editors

Issue 7, July 1999

469 Editorial: Antimalarial drug resistance and mortality in falciparum malaria *N. White*

471 The eosinophilic response and haematological recovery after treatment for *Plasmodium falciparum* malaria *L.H. Camacho, P. Wilairatana, G. Weiss, M.A. Mercader, G.M. Brittenham, S. Looareesuwan and V.R. Gordeuk*

476 Population structure of recrudescent *Plasmodium falciparum* isolates from Western Uganda *T. Jelinek, A.H.D. Kilian, A. Westermeier, S. Pröll, G. Kabagambe, H.D. Nothdurft, F. von Sonnenburg and T. Löscher*

481 Control of zoophilic malaria vectors by applying pyrethroid insecticides to cattle *S. Hewitt and M. Rowland*

487 Retinal manifestations of HIV-1 and HIV-2 infections among hospital patients in The Gambia, West Africa *S. Jaffar, K. Ariyoshi, P. Frith, Y. Okouchi, S. Sabally, T. Ajewole, R. Bailey, P.S. Lee, T. Corrah, G. Johnson, H. Faal and H. Whittle*

493 Cortisol metabolism, cortisol sensitivity and the pathogenesis of leprosy reactions *G.A.W. Rook and R. Baker*

499 Screening of army soldiers for *Wuchereria bancrofti* infection in the metropolitan Recife region, Brazil: implications for epidemiological surveillance *Z. Medeiros, J. Gomes, F. Béliz, A. Coutinho, P. Dreyer and G. Dreyer*

506 Is there a role for glycosuria testing in sub-Saharan Africa? *M.A.B. van der Sande, G.E.L. Walraven, R. Bailey, J.T.F. Rowley, W.A.S. Banya, O.A. Nyan, H. Faal, S.M. Ceesay, P.J.M. Milligan and K.P.W.J. McAdam*

514 Use of hospital data for Safe Motherhood programmes in South Kalimantan, Indonesia *C. Ronsmans, E. Achadi, G. Sutratikto, A. Zazri and J. McDermott*

522 Viewpoint: The neglect of stool microscopy for intestinal parasites and possible solutions *S.C. Parija and H. Srinivasa*

525 Letter to the Editors

526 Book review

Issue 8, August 1999

527 Editorial: The role of (traditional) birth attendants wth midwifery skills in the reduction of maternal mortality *G. Walraven and A. Weeks*

530 Cellular immune responses of a Senegalese community recently exposed to *Schistosoma mansoni*: correlations of infection level with age and inflammatory cytokine production by soluble egg antigen-specific cells *M. Marguerite, M.C. Gallissot, M. Diagne, C. Moreau, M.M. Diakkhate, M. Roberts, F. Remoue, A. Thiam, C. Decam, F. Rogerie, F. Cottrez, J.L. Neyrinck, A.E. Butterworth, R.F. Sturrock, J.P. Piau, B. Daff, M. Niang, I. Wolowczuk, G. Riveau, C. Auriault and A. Capron*

544 The epidemiology of a recent focus of mixed *Schistosoma haematobium* and *Schistosoma mansoni* infections around the 'Lac de Guiers' in the Senegal river basin, Senegal *D. De Clercq, J. Vercruysse, M. Picquet, D.J. Shaw, M. Diop, A. Ly and B. Gryseels*

551 Developing strategies to control schistosomiasis morbidity in non-enrolled school-age children: experience from Egypt *M. Talaat, M. Omar and D. Evans*

557 Insecticide-treated curtains reduce the prevalence and intensity of malaria infection in Burkina Faso *A. Habluetzel, N. Cuzin, D.A. Diallo, I. Nebié, S. Belem, S.N. Cousens and F. Esposito*

565 Genetic epidemiology of host predisposition microfilaraemia in human loiasis *A. Garcia, L. Abel, M. Cot, P. Richard, S. Ranque, J. Feingold, F. Demenais, M. Boussinesq and J.P. Chippaux*

575 Proposed panel of diagnostic criteria, including the use of ultrasound, to refine the concept of 'endemic normals' in lymphatic filariasis *G. Dreyer, A. Santos, J. Noroes and D. Addiss*

580 Rift valley fever surveillance in the lower Senegal river basin: update 10 years after the epidemic *J. Thonnon, M. Picquet, Y. Thiongane, M. Lo, R. Sylla and J. Vercruysse*

586 The behaviour of health workers in an era of cost sharing: Ghana's drug cash and carry system *W.K. Asenso-Okyere, I. Osei-Akoto, A. Anum and A. Adukonu*

Issue 9, September 1999

595 Editorial: Theileriosis – A model for vaccines against animal and human parasites *B. Gryseels and D. Berkvens*

596 Prevalence of antibodies against hepatitis A and E viruses among rural populations of the Chaco region, south-eastern Bolivia *A. Bartoloni, F. Bartalesi, M. Roselli, A. Mantella, C.C. Arce, F. Paradisi and A.J. Hall*

602 Comparative clinical trial of four regimens of dihydroartemisinin-mefloquine in multidrug-resistant falciparum malaria *K. Na-Bangchang, P. Tippanangkosol, R. Ubalee, S. Chaovanakawee, S. Saenglertsilapachai and J. Karbwang*

611 *In vitro* antiplasmodial activity of Central American medicinal plants *K. Jenett-Siems, F.P. Mockenhaupt,*

U. Bienzle, M.P. Gupta and E. Eich
616 An enzyme-linked immunosorbent assay for detection of IgG1 antibodies specific to human cystic echinococcosis in Egypt *R.M.R. Ramzy, H. Helmy, E.A. El Zayyat, M.M.A. Rifaat, D.M.A. Hameed and M.H. Abdel-Baki*
621 Lung function, blood gases, pH and serum electrolytes of small-scale miners exposed to chrome ore dust on the Great Dyke in Zimbabwe *E.E. Osim, M. Tandayi, H.M. Chinyanga, H.T. Matarira, K.K. Mudambo and C.T. Musabayane*
629 Book review
630 Letter to the Editors

Supplement
A2 Table of Contents
A3 Dogmas and misunderstandings in East Coast fever *T.T. Dolan*
A12 Immunization against diseases caused by *Theileria parva*: a review *G. Uilenberg*
A21 Molecular epidemiology of *Theileria parva* in the field *D. Geysen, R. Bishop, R. Skilton, T.T. Dolan and S. Morzaria*
A28 The current epidemiological status of bovine theileriosis in eastern Zambia *M. Billiouw, L. Mataa, T. Marcotty, G. Chaka, J. Brandt and D. Berkvens*
A34 Epidemiological uses of a population model for the tick *Rhipicephalus appendiculatus S. Randolph*
A43 Spatial and temporal variation in *Rhipicephalus appendiculatus* size in eastern Zambia *G. Chaka, M. Billiouw, D.M. Geysen and D.L. Berkvens*
A49 Economics of theileriosis control in Zambia *L. D'Haese, K. Penne and R. Elyn*
A58 Theileriosis control modelling (experiences from Southern Province, Zambia) *K. Penne and L. D'Haese*
A71 Evaluation of recombinant sporozoite antigen SPAG-1 as a vaccine candidate against *Theileria annulata* by the use of different delivery systems *N. Boulter, D. Brown, G. Wilkie, S. Williamson, E. Kirvar, P. Knight, E. Glass, J. Campbell, S. Morzaria, V. Nene, A. Musoke, C. d'Oliveira, M.J. Gubbels, F. Jongejan and R. Hall*
A78 Mechanism(s) of attenuation of *Theileria annulata* vaccine cell lines *R. Hall, T. Ilhan, E. Kirvar, G. Wilkie, P.M. Preston, M. Darghouth, R. Somerville and R. Adamson*

Issue 10, October 1999

631 Editorial: Geographical information systems (GIS) and the tuberculosis DOTS strategy *J.D.H. Porter*
634 Spatial implications of the tuberculosis DOTS strategy in rural South Africa: a novel application of geographical information system and global positioning system technologies *F. Tanser and D. Wilkinson*
639 Short report: Lack of specificity of Beilstein test in detecting pyrethroid insecticide on coloured mosquito nets *C.J. Drakeley, J. Armstrong Schellenberg, S. Abdulla and C. Lengeler*
641 A community perspective on the efficacy of malaria treatment options for children in Lundazi District, Zambia *H.A. Williams, S.P. Kachur, N.C. Nalwamba, A. Hightower, C. Simoonga and P.C. Mphande*
653 Epidemiological features and case management practices of imported malaria in northern Italy 1991–1995 *A. Matteelli, P. Colombini, M. Gulletta, F. Castelli and G. Carosi*
658 Detection of *Trypanosoma brucei gambiense* in sleeping sickness suspects by PCR amplification of expression-site-associated genes 6 and 7 *M. Kabiri, J.R. Franco, P.P. Simarro, J.A. Ruiz, M. Sarsa and D. Steverding*
662 Foyer de bilharziose à *Schistosoma mekongi* redécouvert au Nord du Cambodge: I. Perception culturelle de la maladie; description et suivi de 20 cas cliniques graves *S. Biays, A.H.R. Stich, P. Odermatt, Chan Long, C. Yersin, Chan Men, Cheam Saem and J.D. Lormand*
674 Foci of *Schistosomiasis mekongi*, Northern Cambodia: II. Distribution of infection and morbidity *A.H.R. Stich, S. Biays, P. Odermatt, Chan Men, Cheam Saem, Kiev Sokha, Chuong Seng Ly, P. Legros, M. Philips, J.D. Lormand and M. Tanner*
686 Detection of circulating E/S antigens in the sera of patients with fascioliasis by IELISA: a tool of serodiagnosis and assessment of cure *A.Y. Shehab, E.M. Hassan, L.M. Abou Basha, E.A. Omar, M.H. Helmy, H.N. El-Morshedy and H.F. Farag*
691 Circulating antibodies and antigens correlate with egg counts in human fascioliasis *A.Y. Shehab, L.M. Abou Basha, H.N. El-Morshedy, M. Abdel-Fattah, M.M. Osman and H.F. Farag*
695 Where health care has no access: the nomadic populations of sub-Saharan Africa *A. Sheik-Mohamed and J.P. Velema*

Issue 11, November 1999

709 Ethics in health care priority-setting: a north–south double standard? *A. Stefanini*
713 Treating neurocysticercosis medically: a systematic review of randomized controlled trials *R. Salinas, C. Counsell, K. Prasad, H. Gelband and P. Garner*
719 Impairment of natural killer cell activity in *Chlamydia trachomatis* infected individuals *E. Mavoungou,*

V. Poaty-Mavoungou, F.S. Touré, A. Sall, A. Delicat, P. Yaba, Y. Mandeme, R. Nabias and J. Lansoud-Soukate
728 Maintenance and sustained use of insecticide-treated bednets and curtains three years after a controlled trial in western Kenya S.P. Kachur, P.A. Phillips-Howard, A.M. Odhacha, T.K. Ruebush, A.J. Oloo and B.L. Nahlen
736 Home case management of malaria: an ethnographic study of lay people's classification of drugs in Suneka Divison, Kenya I.K. Nyamonga
744 The impact of populational level deworming on the haemoglobin levels of schoolchildren in Tanga, Tanzania N.M.R. Beasley, A.M. Tomkins, A. Hall, C.M. Kihamia, W. Lorri, B. Nduma, W. Issae, C. Nokes and D.A.P Bundy
751 The performance of school-based questionnaires of reported blood in urine in diagnosing *Schistosoma haematobium* infection: patterns by age and sex H. Guyatt, S. Brooker, N.J.S. Luwambo, J.E. Siza and D.A.P. Bundy
758 Determinants of mortality among children in the urban slums of Dhaka city, Bangladesh A. Hussain, S.M. Keramat Ali and G. Kvåle
765 Dengue: an evaluation of dengue severity in French Polynesia based on an analysis of 403 laboratory-confirmed cases B. Murgue, X. Deparis, E. Chungue, O. Cassar and C. Roche
774 Fascioliasis: sonographic abnormalities of the biliary tract and evolution after treatment with triclabendazole J. Richter, S. Freise, R. Mull and J.C. Millán
782 Antibiotic dispensing by drug retailers in Kathmandu, Nepal D. A. Wachter, M.P. Joshi and B. Rimal
789 Letter to the Editors

Issue 12, December 1999

791 Editorial: Male genital schistosomiasis and haemospermia H. Feldmeier, P. Leutscher, G. Poggensee and G. Harms
794 A randomized, double-blind, placebo-controlled clinical trial of vitamin A in Mozambican children hospitalized with non-measles acute lower respiratory tract infections M.R. Julien, A. da Cruz Gomes, L. Varandas, W. Van Lerberghe, P. Rodrigues, F. Malveiro, P. Aguiar, P. Kolsteren, P. Van der Stuyft, K. Hildebrand, D. Labadarios and P. Ferrinho
801 Treatment of two patients with diffuse cutaneous leishmaniasis caused by *Leishmania mexicana* modifies the immunohistological profile but not the disease outcome N. Salaiza-Suazo, P. Volkow, R. Pérez Tamayo, H. Moll, R. Gillitzer, A. Pérez-Torres, R. Pérez-Montfort, J. Delgado Domínguez, O. Velasco-Castrejón, M. Crippa and I. Becker
812 Immunoglobulin therapy for severe thrombocytopenia complicating falciparum malaria M.E.H. Elawad, J.M. Jobran and A. Abu Duya
814 Little effect of praziquanatel or artemisinin on clonorchiasis in northern Vietnam. A pilot study N. Tinga, Nguyen Van De, Ha Viet Vien, Le Van Chau, Nguyen Duy Toan, P. A. Kager and P.J. de Vries
819 The *Simulium damnosum* complex in western Uganda and its role as a vector of *Onchocerca volvulus* A. Kruger, V. Nurmi, J. Yocha, W. Kipp, T. Rubaale and R. Garms
827 Strategies to enhance the use of health systems research for health sector reform R. Sauerborn, S. Nitayarumphong and A. Gerhardus
836 Maternal responses to childhood fevers: a comparison of rural and urban residents in coastal Kenya C.S. Molyneux, V. Mung'ala-Odera, T. Harpham and R.W. Snow
846 Survey of surgical emergencies in a rural population in the Northern Areas of Pakistan M. Ahmed, M. Ali Shah, S. Luby, P. Drago-Johnson and S. Wali
858 Attitude towards CATT-positive individuals without parasitological confirmation in the African Trypanosomiasis (*T.b. gambiense*) focus of Quiçama (Angola) P.P. Simarro, J.A. Ruiz, J.R. Franco and T. Josenando
862 Seroepidemiology of *Helicobacter pylori* infection in a Jamaican community J.F. Lindo, A.E. Lyn-Sue, C.J. Palmer, M.G. Lee, P. Vogel and R.D. Robinson
867 Assessment of IgG antibodies against yellow fever virus after vaccination with 17D by different assays: neutralization test, haemagglutination inhibition test, immunofluorescence assay and ELISA M. Niedrig, M. Lademann, P. Emmerich and M. Lafrenz
872 Short communication: *Plasmodium falciparum* and *P. malariae* infections in isolates from sickle cell gene carriers living in a hyperendemic area of Gabon G. Blampain-Azzibrouck, F. Lekoulou, G. Snounou, J.C. Ravollet and F. Ntoumi
